SPECIALIST PRODUCTS · CUSTODIAL

Prison, detention and grille doors

Door configurations for the operational requirements of custodial facilities.

Detention doors for cells, prison entrances, secure control rooms and pedestrian gates. They are built in heavy-gauge steel sheet, solid steel bar or attack-resistant glazing on welded steel frames.

STANDARD	LEAVES	LOCKS	FRAME
Custodial	1 or 2	Custodial	Welded
International standards	Single or double	Mechanical or electric	Welded-corner steel

Benefits

- **Built for custody.** To international custodial standards.
- **Custodial locks.** Mechanical or electromechanical.
- **Links to building systems.** Access control and BMS.
- **Any door specification.** Full range of sizes.
- **Fire-rated options.** Including louvres.
- **Blast and impact resistant.** Heavy-gauge steel.

Options

Vision panel · Security glazing or grille · Automatic operators · Fire-rated louvres · RAL colour

Technical data
